## For a sound flight

Honoring Women's History Month, the 512th Airlift Wing highlights Tech. Sgt. Karla Rust, 712th Aircraft Maintenance Squadron, as she inspects communication cables aboard a C-17 Globemaster III March 7 during the Unit Training Assembly. Sergeant Rust is a communication and navigation systems specialist who works for the U.S. Navy in her civilian career.

## Developmental Education deadline set

Officers and civilians considering intermediate or senior developmental education in 2010 have until April 5 to submit their applications for consideration by the selection board.

For more information on officer IDE and SDE programs, visit the Air Force Personnel Center Web site and select the Continued Education link in the officer customer category or you may search for "2010 IDE/SDE."

Civilians can view a list of CDE programs at the Force Development link within the civilian customer category or search for "CDE" on the personnel services site. (Courtesy Air Force Personnel Center News Service)

## Tax forms available at base library

The base library has limited numbers of federal tax forms and instructions available for pick up in the lobby of Building 262. The library also has reproducible federal tax forms available. For more information, call (302) 677-3992.

## Base Education Office relocates

The Base Education Office will move from Building 639 to Building 261 March 11th and 12th. During this period, the office will be able to handle emergency issues, but customers are asked to please delay routine issues until March 15th.

## Reel Time movie schedule on base

The Dover Air Force Base movie schedule is as follows:

- Thursday, March 11, 7 p.m., When in Rome (PG-13),
- Friday, March 12, 7 p.m., The Lovely Bones (PG-13),
- Saturday, March 13, 7 p.m., The Tooth Fairy (PG),
- Sunday, March 14, 7 p.m., Edge of Darkness (R).

## CC Talk: Time to refocus

**Col. Alan H. Lerner**

512th Maintenance Group commander

It's time to FOCUS, and I don't mean the Facility Operation Capabilities and Utilization Study program, which is also an important and timely issue for us. It's time to get refocused on issues concerning the 512th Airlift Wing and Team Dover as some things may have been set aside during the winter months.
