The 512th Airlift Wing has an active employer support program. Its goal is to educate civilian employers and help them understand how they can support the military careers of employees who are members of the Air Force Reserve Command. One of the ways this is accomplished is through Employer Appreciation Day. This annual event is scheduled for Sept. 8. Civilian bosses will be treated to a flight on a C-17 or C-5 and experience other Liberty Wing mission-oriented attractions. The deadline for submissions is July 23. Either mail the completed form to 512th AW/PA, 202 Liberty Way, Room 202, Dover AFB, Del., 19902-5202; fax it to 302-677-2758; or, e-mail it to 512aw.pa@us.af.mil. Please, no more than two nominations per reservist.
